

# UNION LABEL APP

## USE THE NEWEST TOOL

The SMART union labels are how we enforce contracts and protect your jobs, wages, and benefits. The new label app is the tool that makes using the labels fast and easy. Use the app to:

- ✓ **Scan** the yellow labels for wage equalization.
- ✓ **Report** unlabeled products (and other job site issues).
- ✓ **Read** the Members' Journal and other union news.

[www.LabelItScanItReportIt.com](http://www.LabelItScanItReportIt.com)

Make sure you have the app on your phone and use it every day.

Text **SMART** to **90975**
